Your Own Examination

When you do come in to look at CLOTHCRAFT garments let your ex-

amination be as close and careful as you can make it. CLOTHCRAFT Clothes will stand it. Behind every garment there is experience gained in fifty years of making the best.

CLOTHCRAFT Clothes represent the latest-the accepted style. They have the cut which will secure you a perfect, comfortable fit. The coats have the close collar, the smoothly setting lapels, the concaved shoulders, which always distinguish CLOTH-CRAFT cut and make. And the real goodness isn t merely pressed in, -it is built in-tailored in-to stay.

CLOTECRAFT makers have preached-and practiced-the ALL-WOOL doctrine always. Nothing is good enough -except wool-for Clothcraft. Your examination will show you pleas-

ing prices, also. Will you examine to-day-now-while

the assortment of fabrics and patterns is complete?
